SOCIAL JUSTICE ART

A Framework for Activist Art Pedagogy

MARIT DEWHURST

In this groundbreaking book, arts educator Marit Dewhurst examines ways that art can effectively empower students by engaging them in social justice projects. Drawing on interactions with New York City high school students, *Social Justice Art* identifies core strategies for an “activist arts pedagogy” and offers concrete suggestions for incorporating activist art projects inside or outside formal school settings.

Social Justice Art seeks to give common language to educators and others who are looking to expand and refine their practices in an emerging field, whether they work in art education, social justice programming, or youth development.

“This book is a fantastic contribution to the growing body of social justice arts education literature, rich with examples of curriculum, pedagogical tips, and wonderful student art.”

—THERESE QUINN, ASSOCIATE PROFESSOR OF ART HISTORY AND DIRECTOR OF MUSEUM AND EXHIBITION STUDIES, UNIVERSITY OF ILLINOIS AT CHICAGO
